SUPPLEMENT TO
REPORT NO.

1. Cuban labor circles believe that the Minister of Labor, Edgardo Buttari, has prepared a decree which would permit the hiring of replacements for bus drivers in the Omnibus Aliados labor dispute who refuse to work without a 30 per cent increase in salary.
2. In the event that such a decree is issued and strike breakers are hired, the Confederacion de Trabajadores de Cuba (CTC) will undoubtedly support the bus syndicate and a transportation strike is likely.*

Comment. According to source, the labor trouble in Cuba is very serious at the present time and a transportation strike could develop into a general labor strike.
